

Commissioned Acrylic Art Policy

I welcome art commissions. I will do a special acrylic painting just for you of any subject matter, such as:

- **Portraits** of your family, children, relatives, friends, pets, etc.
- **Places** you love.
- **Favorite photograph** to reproduce any of your favorite photos.

Art commission instructions:

If you have a special painting in mind, please contact me. All I need to get started is a good photograph of the subject you would like a painting of and a non-refundable 20% deposit which is applied toward the total purchase price of your painting. You'll find me easy to work with and my prices are reasonable.

If you see a painting in my collection you like, but that painting has already sold or you would like it in a different size, I will do a reproduction painting or a similar one of it for you as a commissioned acrylic painting. ***Please note, I will only do a reproduction or similar painting of my own work. I will do a painting with the same subject matter as another artist's painting but I will not copy the work of other artists.***

I'll work hard to give you a painting you'll love and be proud of. However, if for any reason you are not happy with the finished piece, you are not obligated to purchase the painting. ***The only exception to this is portraits of family members or friends.*** Contact me when you're ready to commission me to do a special painting for you.

When you contact me, be sure to include the following information to assist me with your price quote.

Information to include:

1. What is the **approximate size** of the painting you have in mind?
2. What **type of painting?** (Landscape, seascape, portrait, etc.)
3. What is the **subject matter?** (Mountain, trees, park, fruit, flowers, people, animals, etc.) Be descriptive, or send a digital photo you want a painting from via email.
4. If it is a portrait, how many people/pets in a single painting?
5. Would you want me to frame the painting for you before shipping it?

What I need from you:

1. **Good clear photos of the subject matter as you want** it to appear in your painting. This photo should be one you are **completely** happy with. If not, provide another one you are happy with or be **very** specific regarding what changes you want made to the subject matter contained within the photo.

Please keep in mind I am a realistic artist and **I will attempt to create your painting as close to the photo as I possibly can** unless you specify otherwise.

2. **Your deposit.** This non-refundable 20% deposit will be applied toward the total purchase price of your painting. Except for portraits of family members and friends, you are not obligated to purchase the painting if you are not happy with it. However, the deposit is non-refundable. The deposit covers the cost of materials used to begin your painting.

My completed work will be copyrighted, and you will not be able to reproduce it in any way other than through me.

Thank you for considering me as your commission artist. I look forward to doing a special painting just for you.
