Next Recital

Our next recital will be June 30, 6:30 p.m. in my back yard. It will be a fiddling fiesta. Again, recital times are required and are also considered a lesson time. This will be a fun recital for our kids. This is also the time that I would like you to post-date your checks for July since Music Camp was taking the place of the first two weeks of July and August. Thanks!

May's Group Lessons

The older students will be on Tuesday, May 26 at 5-6 p.m. The younger students will be on Wednesday, May 27 at 5-5:45, or they will be on Thursday, May 28 at 5-5:45. Again, let me know which group lesson you are planning on your child attending.

Have a Great
Summer!!!!!!!!!!!!!!

June's Group Lessons

For all the kids, there will be one group lesson on June 29 at 6 p.m. where they play for each other before the actual recital. We are trying something new, with some students accompanying a violin player on the piano. They will probably need to practice in front of a group before the recital. There are also new students who might like it as well. **If any music lessons are missed then July 1-3 will be the days to schedule a make-up lesson.**

Extremely fun Music Camp Week!

There will be a music camp the week of June 22 – 26, and it will be required. It will be from 5–6 or 6-7 p.m. on all five days. Please let me know at which time your student will be attending to prevent too many at one time. It is also for the older students as well so they could help teach the younger students. Teaching helps us understand how much we know. One activity will be that they will bring a cake from home, play a song on their instrument and learn from decorating the cake that music could be more exciting through music expression such as dynamic. We can have the cake's look change from an average cake to a well-decorated cake. Students will then play the same song with more dynamics. There will be no private lessons during this week. Please mark your calendars, it will be a blast.

Summer Schedules

I would like to teach two long days a week during the summer. There are lesson time openings for Mondays and Thursdays. You may pick any time for your student to attend their lesson on those two days.

My Vacation Times

My vacation times are June 14 – 19. I will be out of town. There will be no lessons on July 6 – 17. I will resume lessons on July 20–30, during this time you will come to your lesson on the Summer schedule. If your student attends year-round school then please schedule your lesson in a way to not affect other students. For August 3–14, there will be no lessons on those dates. Lessons will resume on August 17 on our regular schedules. Please mark your calendars on these dates so that you don't show up and I'm not here. Thank you so much.

Adult Schedule

Adult students need to schedule a couple hour-long lessons with me in order to get your lessons in. You are also encouraged to perform during the summer recital. It will be fun to have the adults perform for the younger students. I used to have all my students perform together. Your next recital is on Thursday, May 14 at 6:30 p.m. If that won't work for you let me know then we could come together and decide on a time.

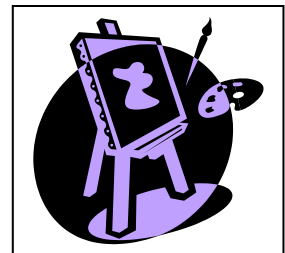

Student of the month

I am in need of students who can fill the slot for student of the month bulletin board in the studio. Just answer these questions and you can either e-mail the answers to me or give it to me on a piece of paper.

- Name, age, and birthday
- Where were you born?
- What grade are you in and are you involved in music in school?
- What is your favorite subject in school?
- How many siblings do you have?
- What is your favorite thing or things to do?
- What does your family do together that is fun?
- How did you get interested in your instrument?

CAWS *Community Animal Welfare Society*

This is a no kill humane society that I help out in volunteering to be a foster home for cats and dogs. It is a great organization.
